

Teaching Special Need Kids How To Ride!

For This One Inc., in cooperation with The Township of North Brunswick and The North Brunswick Board of Education, is proud to host the first **Lose The Training Wheels Camp** in our area at the **North Brunswick High School**, on the week of:

August 13th, 2012!

Lose The Training Wheels™ is a nonprofit tax-exempt charitable organization that is much more than just a bike-riding program. For many people with disabilities, it's a seemingly impossible task that they can typically master in less than a week's time through our program. Within days of learning to ride, many children begin exhibiting independent behaviors at home. This achievement, in turn, creates a gateway of opportunity, helping them gain assurance and self-reliance in many other aspects of their lives.

- With a disability
- Able to walk without assistive device
